

Welcome to the A2TRADE Token sale

To purchase your tokens or signup please click Signup

SIGN UP

Visit the website or follow this link to start signup <https://token.a2trade.io/register>

1. Enter your email as your login and click Sign Up. You will receive an email with your password.

2. Click the link in your email or visit the site. Enter your email and the password provided to Login to the client area.

<https://token.a2trade.io/login>

3. Attention! Please enter your Ethereum wallet address below. ATT tokens will be sent to it. Make sure you have all the necessary data to access your wallet (passwords/private keys) as you will not be able to change this later. **WARNING: This should be your personal wallet address not an exchange account.** To check your access info or to create a new wallet please go to MyEtherWallet.com

- Enter your address with copy and paste
- Click ADD to save your address to your account

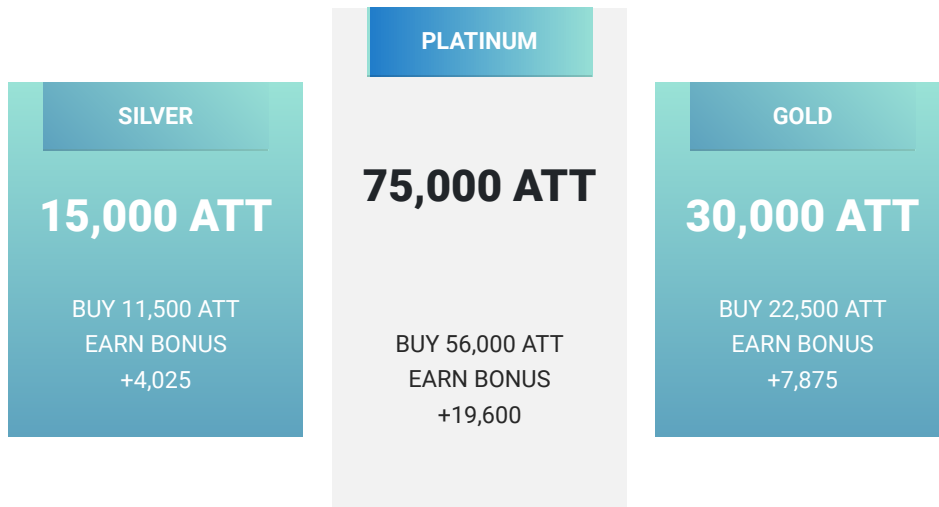

4. Select VERIFICATION to upload a scan of your government ID or passport, choose ID type as Passport, ID or Other.

- Click upload and navigate to your scan and upload, you will see the file uploading in bottom left browser counter. (Uploading (20%)...
- Ensure the file is less than 5 MB and in pdf, jpg or png format
- You will receive an email when your account is approved

5. How many Tokens do I need.

- A2TRADE provides more discounts and features and your membership level increases.
- We recommend that you buy at least 15,000 ATT to enjoy full exchange discounts and some other benefits, ideally most members would grow there account to Platinum.
- For coin traders we recommend 5% of your Crypto portfolio.

6. You may now sign in and purchase your tokens. Click PURCHASE and select your payment method.

- Click BTC , ETH or other coins to make your purchase.
- Enter deposit amount to calculate your ATT Tokens. The amount includes current stage bonus.
- Click the CONTINUE button at the bottom of the screen.

Purchase tokens
